To:     D/OLL/CIA

From:    [          ] Chief
Legislative Liaison

Subject:  Language From FY 1986 Intelligence
Authorization Act

     In talking with [          ] this
morning about section 402 of the subject Act
which has been sent to the President for
signature, I reviewed the attached language
in the HPSCI's original unclassified report
that accompanied their version of the bill as
reported last May.  Its probably the clearest
expression of where the <u>SSCI</u> will be coming
from in next Wednesday's hearing, and I
thought you might want to include it in the
DDCI's briefing materials for next week.
